A MESSAGE FROM RICH GOLDEN, CEO

Golden is known for comfort, quality and innovation. Founded in 1985, we manufacture mobility products that push the boundaries of expectation, providing extremely comfortable, highly dependable scooters and power wheelchairs with superior designs to last for years to come.

Through our products, we help provide people who have mobility issues an avenue to pursue their own independence allowing them to live their best lives and find happiness. Our scooters and power wheelchairs offer excellent maneuverability and performance to get you where you want to go in comfort and style. Explore our line of mobility products and choose the one that's perfect for you! Plus, all models are backed by the best warranties in the industry!

We are proud to manufacture America's favorite scooters and power wheelchairs - for your family, and ours.

OUR VISION...

To build the most innovative and comfortable products that put you and your family's lives in motion.

Golden scooters and power wheelchairs are Class II Medical Devices.

**NAMES THE BUZZAROUND
CARRYON® AMONG
THE BEST LIGHTWEIGHT
MOBILITY SCOOTERS!**

K. Rippens | Google Review

"I am very happy with my CarryOn scooter. It suits all my priorities: portable, lightweight, comfortable, runs on gravel and grass, easy to fold up for storage. The adjustable tiller is fantastic for bringing the controls within easy reach. It is also a lot of fun to drive."

The Buzzaround CarryOn®

The **GOLDEN BUZZAROUND CARRYON®** foldable scooter is small in stature and big on fun! This super portable, foldable, sporty new scooter folds to only 12" high, making it perfect for travel and cruising. It disassembles easily into two pieces and is designed to store in the smallest compartments. Pack your dreams and go anywhere with the CarryOn!

CARRYON

The Compass™

Experience Constant Contact

The **GOLDEN COMPASS™** models provide superior forward stability making them the safest power wheelchairs to mount or dismount. Thanks to the springless, articulating chassis, the Compass offers the best stability and no tipping! This unique suspension system keeps all six wheels on the ground simultaneously, eliminating the rocking sensation when traversing inclines, giving all Compass models unparalleled curb and threshold climbing ability. No other power base can match the constant wheel to ground contact of a Compass!

COMPASS SPORT FEATURES:

- Springless, articulating chassis
- 300 lb. weight capacity
- Dynamic LiNX controller
- EZ Lock compatible
- Scratch resistant plastic color shrouds
- Larger footplate
- Non-marking, flat free tires
- Foldable, adjustable high-back seat
- Adjustable armrests
- 2-U1 batteries standard
- Up to 24-mile operating range
- Optional 50 AH batteries for up to 34-mile operating range

COMPASS HD FEATURES:

- Springless, articulating chassis
- 450 lb. weight capacity
- Four post seat mount with slide seat bracket allows for adjustable seat pitch
- 75 Amp controller standard
- Non-marking, flat free tires
- Foldable, adjustable high-back seat
- Adjustable armrests
- 2-NF22 batteries standard
- Up to 12-mile operating range

Compliment Your Independence!

ELEVATE YOUR COMFORT IN GOLDEN'S HI-LOW ADJUSTABLE BED

Quality sleep significantly impacts your health. The **Golden Passport™** Hi-Low adjustable bed allows you to customize your sleep position by independently inclining or declining your head and/or legs, giving you more adjustment options that support wellness, including the Tendelenburg and Zero-Gravity positions.

Benefits can include:

- **Improved sciatica** by supporting the base of the spine
- **Relief of pressure** & compression in the back
- **Reduction in snoring** & improved quality of sleep
- **Lessened symptoms** of some types of **sleep apnea**
- **Healthier digestion** with a 6" recommended incline
- **Optimized circulation & reduced swelling** by elevating the lower limbs

GOLDEN *Passport*™ HI LOW ADJUSTABLE BED

The Golden Passport is height adjustable via wireless remote control, with ability to be custom elevated or lowered, based on the user's or caregiver's specific needs. Available in Twin XL, Queen, and Split King (Dual Twin XL) and one standard foam mattress.

The Golden Passport's mattress offers unique design for flexibility, ensuring a comfortable and supportive night's sleep. With three layers of foam, including memory foam, it combines solid support with a luxurious feel. It features a **unique transfer edge**, a special 3" firm block of foam that runs the length of the mattress, providing stability for safe bed entry and exit.

Bed Frame Features:

- 880 lb. lift capacity
- 3-piece leg extensions included (2", 2.5" & 5") for varied height options
- Up to 11" vertical rise
- **Lowest Position:** 10.5" from floor to top of deck (no leg sections added)
- **Highest Position:** 28" from floor to top of deck (with all leg sections added)
- Dual-Zone Vibrating Massage with timer
- Underbed LED lighting and flashlight on controller

Mattress Features:

- 350 lb. weight capacity
- High density base foam for maximum durability and resiliency
- SmartFoam for optimal head & foot articulation
- Cooling gel memory foam
- Premium-grade, machine washable cover with stretch fibers for a supremely comfortable feel
